Violent Offenses

6

Violent offenses: offenses that injured, impaired or jeopardized the safety of the public.

Non Violent Offenses: offenses that did not injure, impair, nor jeopardize the safety of the public.

Potential for Violent Offenses: offenses that did not specifically lead to injury, impairment or jeopardy of the public's safety, but the nature of the offense has the capacity for violence. (i.e. Terroristic threats, Possession of a Firearm, Accessory, etc.)

Violent Original Charge: The juvenile's offense that brought him/her back to detention was a technical violation (VOP or Unlawful Absence), as opposed to a new charge, but the original charge was a violent offense.
